

And We Danced (feat. Ziggy Stardust)

Macklemore

And we danced
And we cried
And we laughed
And had a really, really, really good time
Take my hand, let's have a blast
And remember this moment for the rest of our lives
(Our lives!)
Our lives
(Our lives!)
Our lives Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
Tonight
(Tonight!)
Tonight
(Tonight!)
Tonight
'Cause tonight's the night, am I right?
Dance! Feels like night for a party
My nature so naughty
There's a knock on the door, it's the neighbors
Quick cock blocking We're having a ho-down, you hoe's down? Don't let me pull my hose
out 'Cause it's big, long, pink, strong
And known to dance like all night long
Grab my hand, play this song
DJ save my life, come on Leave your fear, back off the wall
Free of beat and pussy pop
If you don't have a pussy
Pop a cock into a booty
To a booty, yeah And we danced
And we cried
And we laughed
And had a really, really, really good time
Take my hand, let's have a blast
And remember this moment for the rest of our lives I am not, I am not going to stand on the
wall I will dance, I will dance, I will break that ass off
And I see you in the corner, corner looking so small
Doing the robot like if I die tonight at least I went hard I will not, I will not give a damn who
watches me
I will live, I will live, liberate the fox in me
I will be the discoball, freak and give my all To whatever girl's booty I'm freaking on
I'm not skeeting nah, it's just freaking hot Alright I skeeted
I will not be a mannequin, no The ego banish it
The roof's on fire Let's burn down the Vatican

I will moonwalk to Pluto in honor of Michael Jackson
In heaven he'll be saying that man is tight at dancing
RIP to the king, Michael Jackson, we learned it all from you
Dedicate this to the dance floor Party up the sorrow 'til tomorrow morning happens
We pledge allegiance to the DJ, put your hands up And we danced
And we cried
And we laughed
And had a really, really, really good time
Take my hand, let's have a blast And remember this moment for the rest of our lives You see me
looking at you from that bar right over there
But your friends are huddled up and they are hating on a player
I just want to dance with you, get on the back of you
Tip tap the boots, extract the truth
Da-dance with you, get on the back of you
Da-dance, dance, dance
Awesome! Oh-ee, oh-ee, oh
Oh-ee, oh-ee, oh
Hey-oh, hey-oh
Hey-oh, hey-oh
Uh-ah-ba-bo
Uh-ah-ba-bo
Zib-oh-da-we-bab-ba-dap-bop-bop
Zib-oh-da-we-bab-ba-dap-bop-bop Ladies!
I just wanna dance with you, I just wanna dance with you
Come here...
Alright, I see you go
I just wanna dance with you, I just wanna dance with you And we danced
And we cried
And we laughed
And had a really, really, really good time
Take my hand, let's have a blast
And remember this moment for the rest of our lives
