

The Jimmy Choos

Chester French

Spending my time on a girl I know
And she keeps me clean,
A first-rate whore knocking at my door
Yeah, Miss Pristine
A French maid, get paid, touch the floor
And she's got me She's got the Jimmy Choo's, ooo's, ooo's
She needs the Jimmy Choo's, ooo's, ooo's Spending my time, spending my time,
Spending my time on a girl I know
But she's on the prowl
She grabs all the cash from the paper stash
She takes it all
Cheesecake, fake name, disco ball
She's got me
She's got the Jimmy Choo's, ooo's, ooo's
She needs the Jimmy Choo's, ooo's, ooo's
She's got the Jimmy Choo's, ooo's, ooo's
She needs the Jimmy Choo's, ooo's, ooo's
