

# Charlie

## Red Hot Chili Peppers

All aboard... stitch in time  
Get yours... got mine  
In a minute... I'll be there  
Sit tight... get square You can do it at the hippodrome  
Slide back, trombone  
Anybody got a TV tome?  
That's right, unknown When I pick up on that smell  
Pick it up and run like hell  
Little woman save me some  
Better get up on your run So much more than Charlie's wakin' me  
To my core and Charlie's shakin' me  
Tell my story and Charlie's making me  
And Charlie's making me smile  
Everybody... do the twist  
Get the the message... on Flea's fist  
Move around like a scientist  
Lay down... get kissed Big picture and it never lies  
Big daddy will advise  
Eveready in disguise  
Sunset... sunrise When I pick up on that smell  
Pick it up and run like hell  
Little woman save me some  
Better get up on your run So much more than Charlie's wakin' me  
To my core and Charlie's shakin' me  
Tell my story and Charlie's making me  
And Charlie's making me smile  
My heart, your skin, this love I'm in  
We don't arrive without a suprise  
You're right, I'm wrong, be free, belong  
Intimate sight has come in to light When I pick up on that smell  
Pick it up and run like hell  
Little woman save me some  
Better get up on your run All I ever wanted to  
Was pick it up and run with you  
Slip it into a summer spell  
Double up and run like hell, ooh So much more than Charlie's wakin' me  
To my core and Charlie's shakin' me  
Tell my story and Charlie's making me  
And Charlie's making me smile, woah now  
My heart, your skin, this love I'm in  
We don't arrive without a suprise  
You're right, I'm wrong, be free, belong

Intimate sight has come in to light  
My heart, your skin, this love I'm in  
We don't arrive without a suprise  
You're right, I'm wrong, be free, belong  
Intimate sight has come in to light
