

Real Love (2016 Remastered)

The Doobie Brothers

Darling, I know I'm just
Another head on your pillow
If only just tonight, girl
Let me hear you lie just a little Tell me I'm the only man
That you ever really loved
Honey, take me back
Deep in my memory
A time when it was all
Very right, so very nice
(So very nice) so very nice Here, darling, stands
Another bandit wanting you
In and out your life
They come and they go, baby
Your days and nights
Like a wheel that turns
Grindin downg a secret part of you
Deep inside your heart
That nobody knows When you say comfort me
To anyone who approaches
Chalking up the hurt
We live and you learn Well, we've both lived
Long enough to know
That we'd trade it all right now
For just one minute
Of real love, darling Real love, hey baby (real love)
I need to believe in (real love)
Real love, baby (real love)
Real love, darling (real love)
When you say comfort me
To anyone who approaches
Chalking up the hurt
You live and we learn Well, we've both lived
Long enough to know
That we'd trade it all right now
For just one minute
Of real love, darling Real love, real love
Real love, real love
(Real love) woah oh (real love)
I need to believe in (real love)
Real love, darling (real love)
Just one minute of (real love)
Real love, baby (real love)

Just one minute of (real love)
