

Calm Down

Krewella

Got all my keys don't you follow me, call on me
Ain't mood for no drama
Outta my face, didn't you read my policy?
I do what I wanna
You ain't my parent but think got the formula
So stay in your corner
Last thing I need is my head underwater
Even though I want ya Wanna feel the good
Feel the bad, feel it all
Got a human heart, I'mma let that fly and fall
When I feel insane and I rap that pain
No doubt, I'mma spell it out
Don't tell me to calm down
I'm about tear this fuckin' place down
Kinda like the way I let it go
Don't tell me to calm down
I'm about to tear this fuckin' place down
No, I ain't afraid to let it go
D-don't tell me to calm down
Don't tell me to calm down Don't hit me up like you want an apology
I'm too busy riding
Sipping down Vodka 'cause you ain't my cup of tea
I put you on silent
Say one more thing and I'll take it from zero to sixty
That's good to be honesty, honesty
If you get none of it
Get off my fuckin' back
Wanna feel the good
Feel the bad, feel it all
Got a human heart, I'mma let that fly and fall
When I feel insane and I rap that pain
No doubt, I'mma spell it out Don't tell me to calm down
I'm about tear this fuckin' place down
Kinda like the way I let it go
Don't tell me to calm down
I'm about to tear this fuckin' place down
No, I ain't afraid to let it go
D-don't tell me to calm down
Don't tell me to calm down Down, down, d-d-down, down
When the red line blows I just can't lay low
Down, down, d-d-down, down
When the red line blows I just can't lay low Don't tell me to calm down

I'm about tear this fuckin' place down
Kinda like the way I let it go
Don't tell me to calm down
I'm about to tear this fuckin' place down
No, I ain't afraid to let it go
Don't tell me to calm down
Don't tell me to calm down
