Eye Of The Tiger

Survivor

Rising up, back on the street Did my time, took my chances Went the distance, now I'm back on my feet Just a man and his will to survive So many times it happens too fast You change your passion for glory Don't lose your grip on the dreams of the past You must fight just to keep them aliveIt's the eye of the tiger It's the thrill of the fight Rising up to the challenge of our rival And the last known survivor Stalks his prey in the night And he's watching us all with the eye of the tiger Face to face, out in the heat Hanging tough, staying hungry They stack the odds 'til we take to the street For the kill with the skill to surviveIt's the eye of the tiger It's the thrill of the fight Rising up to the challenge of our rival And the last known survivor Stalks his prey in the night And he's watching us all with the eye of the tigerRising up straight to the top Had the guts, got the glory Went the distance, now I'm not going to stop

Just a man and his will to survive

It's the eye of the tiger

It's the thrill of the fight

Rising up to the challenge of our rival

And the last known survivor

Stalks his prey in the night

And he's watching us all with the eye of the tiger
