

The Story of Your Life

Matthew West

Is this the end or only the beginning?
The second chance you never thought you'd get?
The question is will you do something with it
or spend your days lost in your regret?

This is the story of your life
you decide how the rest is gonna read
This is your chance between the lines
to redefine what kind of legacy you leave

This is the story of your life
and it's a story worth telling
oh ooh ooh

Breathe in deep
feel your heart still beating
let's go see the reason you're alive

Oh you are here
and love is up to something

So take your fear
and leave it all behind

This is the story of your life
you decide how the rest is gonna read
This is your chance between the lines
to redefine what kind of legacy you leave

This is the joy
this is the pain
and all the pages in between
your finest hour

your weakest moment
It's where you've been

it's where you are
it's where you're going

This is the story of your life
you decide how the rest is gonna read
This is your chance between the lines
to redefine what kind of legacy you leave

This is the story of your life
Go tell story of your life

Its a story worth telling

Is this the end or only the beginning?
