

# The Storm

## Front Line Assembly

I'm losing fast  
God speed along  
It won't last  
I come undone  
Take the blame  
Take the pain  
Take me away  
Home  
Take the pain  
Away  
Take me home  
Again  
Riding out  
Calling out  
Falling out  
Nothing  
Nothing  
Take the blame  
Take the pain  
Take me away  
Home  
Take the pain  
Away  
Take me home  
Again
