

Humility (feat. George Benson)

Gorillaz

Calling the world from isolation
'Cause right now, that's the ball where we're betrayed
And if you're coming back to find me
You'd better have good aim
Shoot, it true
I need you in the picture, that's why I'm calling you I'm alone between the left hand
Reset myself and get back on track
I don't want this isolation
See the state I'm in now?
Caught in the hard to win the raffle
'Cause right now that's the ball where we be chained
Shoot, it true
I want you in the picture, that's why I'm calling you I'm alone between the left hand
Reset myself and get back on track
I don't want this isolation
See the state I'm in now? If I'd be needed when I know that it's broken
Do I put it back?
Or do I head out onto the lonesome track and let you go?
I'm alone between the left hand
I don't want this isolation
See the state I'm in now? If I'd be needed when I know that it's broken
Do I put it back?
Or do I head out onto the lonesome track and let you go?
