

# The Last Matador of Bayonne

Joe Bonamassa

I hold out hope  
But it stalls  
Soon, the last curtain falls  
A hundred years of past has spoken All the great warriors  
Are sown into history? s flag  
Like a book of the seven seals  
Of the heroes (hero's?) past  
Through fires, revolutions  
Dust storms and conclusions  
Will the show go on tonight?  
For one more time  
I fight on,  
Fight on,  
I? m the last matador of Bayonne For tomorrow this place falls  
Into silence There? s a path  
Traveled by many  
Say one more prayer for my family  
Like a ship without a sail  
Cast adrift  
I fight on,  
Fight on  
I? m the last matador of Bayonne  
A hundred years of past  
Now are gone
