

# Never Again

## Remedy

Feel this,  
To all those races, colors, and creeds, every man bleeds for the  
countless victims and all their families of  
the murdered, tortured and slaved, raped, robbed and persecuted  
Never Again, To the men, women, and children.  
Who died in their struggle to survive, never to be forgotten.  
Reuven Ben Menachum, yo. Yo my own blood, dragged through the mud  
Perished in my heart still cherished and loved  
Stripped of our pride, everything we lived for  
Families cried, there's no where to run to, no where to hide  
Tossed to the side, Access denied  
6 million died for what? Yo a man shot dead in his back  
Helpless women and children under constant attack  
For no reason, till the next season, and we still bleeding  
Yo it's freezing, And men burn in hell, some for squeezing  
No hope for a remedy, nothing to believe  
Moving targets who walk with the star in their sleeve  
Forever marked wit a number, tattooed to your body  
Late night, eyes closed, clutched to my shotty  
Having visions, flashes of death camps and prisons, no provisions  
Deceived by the devils decisions, forced into a slave  
Death before dishonour for those men who were brave  
Shot and sent to their grave, can't awaken, it's too late  
Everything's been taken, I'm shaken, family, history, the making  
Never again shall we march like sheep to the slaughter  
Never again shall we sit and take orders  
Stripped of our culture, robbed of our name  
Raped of our freedom and thrown into the flames  
Forced from our families, taken from our homes  
Moved from our God then burned of our bones  
Never again, never again, shall we march like sheep to the slaughter  
Leave our sons and daughters, stripped of our culture  
Robbed of our name  
Raped of our freedom and thrown into the flames  
Forced from our families, taken from our homes  
Moved from our God and everything we own  
Some fled through the rumors of wars  
But most left were dead, few escaped to the shores  
With just one loaf of bread, banished, hold in for questioning  
And vanished, Never to be seen again, I can't express the pain  
That was felt in the train to Auschwitz, tears poured down like rain  
Naked face to face, with the master race, Hatred blood and David

My heart belongs to God and stay sacred  
Rabbi's and priests, Disabled individuals  
The poor, the scholars all labeled common criminals  
Mass extermination, total annihilation  
Shipped into the ghetto and prepared for liquidation  
Tortured and starved, innocent experiments  
Stripped down and carved up or gassed to death  
The last hour, I smelled the flowers  
Flashbacks of family then sent to the showers  
Powerless undressed, women with babies clumped tight to their chest  
Crying, who would've guessed -- dying, another life lost  
Count the cost, another body gas burned and tossed in the holocaust  
Never Again, Never Again  
The final solution is now retribution  
Remedy, Wu-Tang.
