

Summer Time High Time (feat. J-Kwe\$T)

Cuco

Summer time is the time I like to get high with you
It's true
Vibe with me, trip with me, let me spend my days
With you Going up a hill and were on a pretty pill
I'm just around the corner
Where the clouds meet up the mills
Happiness is back ain't no one to me but you
And no lies have come along everything I say is true If I'm on cloud 9 maybe 30 even two
Ain't no one bringing me down my cause highest is with you
So grab my hand and now let's go fly away from town
Let's get to outer space
Baby I'm telling you now
That
Summer time is the time I like to get high with you
It's true
Vibe with me, trip with me, let me spend my days
With you Baby come and share ya lovely vibes
Baby come and share ya lovely vibes
Baby come and share ya lovely vibes
I'll promise that I'll make you mine tonight Shawty I don't really care,
we could get drunk in the In the back of the trunk.
You a perfect 10 no gas, no pump,
Sipping on rum
Baby we young
Shawty don't
Ever tell me that your done.
'Cause I wanna get a III
Taste don't run
Shawty you gorgeous,
Girl you should know this
I got so many things I never told ya Summer time is the time I like to get high with you
It's true
Vibe with me, trip with me, let me spend my days
With you Summer time is the time I like to get high with you
It's true
Vibe with me, trip with me, let me spend my days
With you
