

Black/White

Mr. Mister

We are two shadows moving on a wall
Two characters both weak and strong
We chant and we dance, we draw ourselves in
Then we run from each other again Love is so strange, how we change
From day to night
And love is so strange, how we change
From black to white Ever so strange, how we change
From day to night
Hey yeah I draw a picture of your face
Another time, another place
We are the ones who fell into this love
We must be in the right place, ooh
Love is so strange, how we change
From day to night
Love is so strange, how we change
From black to white, ooh, yeah Ever so strange, how we change
From day to night
That's right, that's right, that's Love is so strange, how we change
From day to night
Love is so strange, how we change
From black to white Ever so strange, how we change
From day to night
That's right, that's right, yeah Love is so strange, love is so strange
Love is so strange
Ooh, love is so strange, love
How we change, yeah yeah
Love is so strange, how we change
We change, we change, we change
How much we change
Much we change, yeah Love is so strange, how we change
From day to night
Love is so strange, how we change
From black to white Ever so strange, how we change
From day to night
That's right, that's right, yeah
Love is so strange, how we change
From black to white
