

House Or Hotel

Jacquees

She knows I won't tell,
that's like breaking the law (that's like breaking the law)
Come to my house or my hotel,
I'll be breakin' in your walls
(house or hotel, breakin' in your walls)
You gotta show that nigga you not scared (show that)
You'll risk it all (aye, risk it all, aye)
But fuck it I'm your one night stand (one night)
You're telling me I'm better (yeah, i'm better, yeah)What's the problem I hear's going on?
(what's going on?)
Say every night, he's leaving you at home alone (you're home alone)
Your problem's gettin' worse,
and nothin' gettin' better (won't get better)
That's why she creeps, but I'm down for whatever (whatever)
Whatever's on your mind, let it off (yeah, let it off, yeah)
Whatever's on your body, take it off (yeah, she already know)
She knows I won't tell,
that's like breaking the law (that's like breaking the law)
Come to my house or my hotel,
I'll be breakin' in your walls
(house or hotel, breakin' in your walls)
You gotta show that nigga you not scared (show that)
You'll risk it all (aye, risk it all, aye)
But fuck it I'm your one night stand (one night)
You're telling me I'm better (yeah, i'm better, yeah)Now he think he knows and he's got a
reason (na, na, he's got a reason, na, na)
Cause now you comin' home late and you
always leavin' again (got you leavin' again)
Girl as a man,
I might know what he's goin' through (as a man, I might, I might)
But if I was your man, so much shit I would show you (I show you)
Whatever's on your mind, let it off (yeah, let it off, yeah)
Whatever's on your body,
take it off (yeah, she already know, take it off)
She knows I won't tell,
that's like breaking the law (that's like breaking the law)
Come to my house or my hotel,
I'll be breakin' in your walls
(house or hotel, breakin' in your walls)
You gotta show that nigga you not scared (show that, scared)
You'll risk it all (go risk it all)
But fuck it I'm your one night stand (one night)

You're telling me I'm better (yeah, i'm better, yeah)
