

Everlasting Love

Fifth Harmony

Ever, ever, ever, oh (uh)
Ever, ever, ever, oh (Fifth Harmony, baby)
Ever, ever, ever, oh (let's go)
Everlasting love (another one) Always looking over my shoulder
'Cause, I don't ever wanna miss you
I've been thinking about you daily
Can't wait to see your face And I don't even know you
But I know that I can't wait to kiss you
Somehow I know when we finally lock eyes
That you'll feel the same way You're gonna be all I've needed
You make me feel like a dream
Whoever you are
Baby you are the one I'm waiting for
You're my ever, everlasting love
My ever, everlasting love
And I'm never, ever giving up
'Til you're laying next to me I'm looking for that ever, everlasting love
Forever, ever kind of touch
And I'll never, ever get enough
Baby, we were meant to be Ain't no use in wasting my time on just anybody, baby
I want exceptional, original
Someone I can't deny
I'm in love with you already
I know it sounds crazy, yeah
But I hope you save all you got for me
'Cause, (baby) you're all mine
All mine
You're gonna be all I've needed
You make me feel like a dream
Whoever you are
Baby, you are the one I'm waiting for You're my ever, everlasting love
My ever, everlasting love
And I'm never, ever giving up
'Til you're laying next to me I'm looking for that ever, everlasting love
Forever, ever kind of touch
And I'll never, ever get enough
Baby, we were meant to be Everlasting love (ever, ever, ever, oh)
Everlasting love (ever, ever, ever, oh)
Everlasting love (ever, ever, ever, oh)
My everlasting love I don't even know your name (mmm, mmm)
But I can't get you off my brain (no, no)
Darling I can hardly wait

'Til I can get to know you You'll be beautifully insane (oohh, oohh, oohh)
 Infinitely all for me (all for me)
 Promise you'll be glad you came
I can't wait to show you You're my ever, everlasting love (you're my every)
 My ever, everlasting love (can't get enough)
 And I'm never, ever giving up
'Til you're laying next to me I'm looking for that ever, everlasting love (ever, ever)
 Forever, ever kind of touch (oohh)
 And I'll never ever get enough
Baby, we were meant to be Everlasting love (ever, ever, ever, oh)
 Everlasting love (ever, ever, ever, oh)
 Everlasting love (ever, ever, ever, oh)
 My everlasting love
