

# Best of Me

## Chrisette Michele

saw you again at the parlor  
crossin' the walk with your lady  
I caught your eye from afar off  
I noticed she wore a ring, mmmI found a smile against my will  
wish it was genuine  
I put away my desire  
no more in love with you stilllook i'm movin' on, ohhhh(chorus)  
loved you, lost you, thought I'd give you all the best of me, uhh  
we departed broken hearted, I need to be free  
what we had was oh so lovely, I'll swallow my pain  
It's my time to find the best of me  
can't be the time to be beggin'  
can't be the time to plead, no  
my mama made me much wiser  
whats mine will be just for me, yeahI'm tyrin' hard just to focus  
I'm cryin hard to sleep, yeah  
promised I'm glad your happy  
when It's my time it will belook I'm movin' on, eww hew hew(chorus)  
loved you, lost you, thought I'd give you all the best of me, uhh  
we departed broken hearted, I need to be free  
what we had was oh so lovely, I'll swallow my pain  
It's my time to find the best of memmmmmmm mmmmmmm mmmmmmm mmmmmmm  
oh my, why have I been just so foolish all this time,  
(not realizin') not relizin' the beauty that your eye's once saw in mine?  
I geuss It's time to find the best in me ee ee(chorus)  
loved you, lost you, thought I'd give you all the best of me, uhh  
we departed broken hearted, I need to be free  
what we had was oh so lovely, I'll swallow my pain
