## Prince

(W, X, Y, Z) "Hey, it's the man!"  
"Yeah, let's see what's going on!"  
Hey, hey CHORUS:  
Trust - who do ya?  
Trust - what makes U a real lover?  
Trust - I put this question 2 ya cuz I want U 2 be with me Love - U cannot imagine  
How much I wanna give 2 U  
Hot - I get so excited  
Just thinkin' about all we could do  
Dig it now  
Another world awaits us  
Another power 2 see  
Close - don't worry about nobody else  
From now on U'll be here with me  
CHORUS Money - how much'll make U happy?  
U can have it all if it'll suit U right  
Nothin', I said nothin' can take the place  
Of U and me kickin' it tight, tight  
Come - it's easy  
Just let yourself go, don't put up a fight  
Sex - it's not that type of party (Higher, higher, higher)  
Girl, we're gettin' higher 2 night (Oh Lord) CHORUS Yeah, ooh  
Come on  
Alright  
Sho'nuff tell it everybody "Get 'em! Take the pictures!"  
"Gotham's greed"  
Ooh!  
Yeah  
Trust  
Hot and close, dig it now  
Ooh, that feels good  
Ha, ha, ha CHORUS Oh yeah  
Ow! My Lord! (Trust)  
When I'm on, I feel good (Trust)  
Good Lord  
When I'm, when I'm on, I feel good (Trust) Who do ya trust if U can't trust God?  
Who can U trust - who can ya?  
Who do ya trust if U can't trust God?  
Who can U trust - who can ya? Come and see Trust - who do ya?  
Trust - what makes U a real lover?  
Trust - I put this question 2 ya cuz I want U 2 be... wait  
Want cha with me, ooh {Repeat 2 fade}

(Trust)  
Who do ya trust if U can't trust God?  
Who can U trust - who can ya?
