## Deacon Blue

I can't go with you  
And I can't let you go  
You can't be with me  
So I won't let it show  
I don't want you to know  
So I'll just have to let you go I'm going to love you so much better  
You'll forget the error of my ways  
I'm sending you the good I wished I'd given you  
Oh how I miss you Rae  
Some day you might well laugh at this  
As memories of love all shift and time slips away  
So don't cry honey  
You can't see everything  
But the wind still dries your tears  
And the sun will keep you living  
I just want you to see  
My love's unseen but still keeps seeking  
I'm going to love you so much better  
You'll forget the error of my ways  
I'm sending you the good I wished I'd given you  
Oh how I miss you Rae  
Some day you might well laugh at this  
As memories of love all shift and time slips away Oh Rae  
Oh Rae
