

# Pray for Me (feat. Lil Mo)

## Mobb Deep

Pray for me, pray for me  
Pray for me, pray for me  
Pray for me, just pray for me  
It's over nigga Living life with all this thuggness  
Destruction, this violence, my projects  
I'm a rep to the fullness and you know it I'm always gon' be infamous  
Until the day they lay me down to rest  
When I'm in this world, just pray for me The invincible, infamous Mobb Deep, nigga, fuck you  
If you touch one of my dunns, I'll buck you  
You ain't got nuts enough to come through  
And get back at my niggas for them gun wounds  
You a punk bitch ass nigga, you soft duke  
I'm a young rich ass nigga who love to  
Show you how a nigga get his lights blew  
Teach you the mystery God and murk you Burry you, motherfuckers in the cement  
Miss a post of that nigga in the present  
Shoulda known my niggas, don't play with stunts  
Shoulda shot back but you got your dome cut While we party with the pretty little cutties  
You'll be fertilizing dirt for new trees  
Fucking with the mobbsters out in Q.B  
Nigga, you get hung for that shit that your mouth speak  
Bitch ass nigga Just pray for me when I'm out in the world  
Just pray for me and if you down for whatever  
You'll wait for me, I got these cowards out tryin'  
To lay for me and they making me  
So just pray for me and I can see it in their eyes  
They're afraid of me, homeboy, I ain't the one  
You mistaken me while you rattin and snakin me  
They making me, so just pray for me We them niggas that pull them things out  
Niggas talk too much, need to shut mouth  
A lose lip will sink a niggas ship for real  
Then act all surprise when they get killed Got two felonies but take a chance still  
My life comes first, fuck a record deal  
Move that crowd, direct with steel  
For a medicine when niggas act ill The H A V, the O, the C  
Be easy on the way that you approach me  
Didn't see it coming but he got his plug pulled  
That chicks shiesty don't go by what looks good We in the ear, trust she heard that  
Why you loving him, all my niggas tap that  
Fake gangstas, I can see right through them  
'Cross that line and get your life ruined Life with all this thuggness  
Destruction, this violence, my projects

I'm a rep to the fullness and you know it I'm always gon' be infamous  
Until the day they lay me down to rest  
When I'm in this world, just pray for me Just pray for me when I'm out in the world  
Just pray for me and if you down for whatever  
You'll wait for me, I got these cowards out tryin'  
To lay for me and they making me So just pray for me and I can see it in their eyes  
They're afraid of me, homeboy, I ain't the one  
You mistaken me while you ratting and snaking me  
They making me, so just pray for me When I'm out in the world, just pray for me  
And if you down for whatever, you'll wait for me  
I got these cowards out tryin' to lay for me  
They making me, so just pray for me And I can see it in your eyes, you're afraid of me  
Homeboy, I ain't the one you mistaken me  
While you ratting and think your snaking me  
They're making me, so just pray for me
