Perfume

Britney Spears

Do I imagine it, or do I see your stare Is there still longing there? Oh I hate myself, and I feel crazy Such a classic tale Current girl friend, ex girlfriend, I'm trying to be cool Am I being paranoid, am I seeing things? Am I just insecure? I want to believe It's just you and me Sometimes it feels like there's three of us in here babySo I, wait for you to call And I try to act natural have you been thinking 'bout her or about me And while I wait I put on my perfume, yeah I want it all over you I gotta mark my territory I'll never tell, tell on myself but I hope she smells my perfume I'll never tell, tell on myself but I hope she smells my perfume I hide it well, hope you can't tell but I hope she smells my perfume I hide it well, hope you can't tell but I hope she smells my perfumeI wanna fill the room, when she's in it with you Please don't forget me Do I imagine it, or catch these moments I know you got historyBut I'm your girlfriend, now I'm your girlfriend trying to be cool I hope I'm paranoid, that I'm just seeing things That I'm just insecureI want to believe It's just you and me Sometimes it feels like there's three of us in here baby So I, wait for you to call And I try to act natural have you been thinking 'bout her or about me And while I wait I put on my perfume, yeah I want it all over you I gotta mark my territorySo I, wait for you to call And I try to act natural have you been thinking 'bout her or about me And while I wait I put on my perfume, yeah I want it all over you I gotta mark my territoryI'll never tell, tell on myself but I hope she smells my perfume I'll never tell, tell on myself but I hope she smells my perfume I hide it well, hope you can't tell but I hope she smells my perfume I hide it well, hope you can't tell but I hope she smells my perfume Song Discussions is protected by U.S. Patent 9401941.
