

Lonestar

Norah Jones

Lonestar where are you out tonight?
This feeling I'm trying to fight
It's dark and I think that I would
Give anything

For you to shine down on me How far you are I just don't know

The distance I'm willing to go
I pick up a stone that I cast to the sky
Hoping for some kind of sign

Lonestar where are you out tonight?
This feeling I'm trying to fight
It's dark and I think that I would
Give anything

For you to shine down on me

For you to shine down on me
