Horseshoes and Handgrenades

Green Day

I'm not fucking around I think I'm coming out

All the deceivers and cheaters

I think we've got a bleeder right nowWant you to slap me around

Want you to knock me out

Well, you missed me, kissed me

Now you better kick me downMaybe you're the runner-up

But the first one to lose the race

Almost only really counts in

Horseshoes and handgrenadesI'm gonna burn it all down

I'm gonna rip it out

Well, everything that you employ

Was meant for me to destroy to the ground now

So don't you fuck me around

Because I'll shoot you down

I'm gonna drink, fight and fuck

And I'm pushing my luck all the time nowMaybe you're the runner-up

But the first one to lose the race

Almost only really counts in

Horseshoes and handgrenadesDemolition, self-destruction

Want to annihilate

This age-old contradictionDemolition, self-destruction

Want to annihilate

This old ageI'm not fucking around

I think I'm coming out

Well, I'm a hater, a traitor

In a pair of Chuck Taylor's right now

I'm not fucking around
