

# Best Friends, Right?

## Amy Winehouse

I can't wait to get away from you  
Unsurprisingly you hate me too  
We only communicate when we need to fight  
But we are best friends... right? You're too good at pretending you don't care  
There's enough resentment in the air  
Now you don't want me in the flat  
When you're home at night  
But we're best friends right?  
You're Stephanie and I'm Paulette  
You know what all my faces mean  
And it's easy to smoke it up, forget  
Everything that happened in between Nicky's right when he says I can't win  
So I don't wanna tell you anything  
I can't even think about  
How you feel inside  
But we are best friends, right? I don't like the way you say my name  
You're always looking for someone to blame  
You want me to suffer just cause  
You was born wide  
But we are best friends right?  
You're Stephanie and I'm Paulette  
You know what all my faces mean  
And its easy to smoke it up, forget  
Everything that happened in between  
I had love for you when I was four  
And there's no one I wanna smoke with more  
Someday I'll buy the Rizla, and you get the dro  
Cause we are best friends right, right, right?  
Because we are best friends right?  
Because we are best friends right?
