

# Attracting Flies

AlunaGeorge

Hold on now, I'm choking  
Give me a second to collect myself  
You must be joking  
Otherwise I'm laughing to myself Why you here again  
Hold on a minute, let me check this out  
Your invitation's a fake  
Must be from a ticket tout I hear you out, you hear me out  
I hear you shout, I'm not stepping out  
I hear you out, you hear me out  
I hear you shout, I'm not stepping out Little grey fairy tales  
And little white lies  
Everything you exhale is attracting flies  
And you can go off the rails  
And you can cry your eyes out  
But everything you exhale is attracting flies Please stay, it's your moment  
I'll give you all the listening that you need  
Don't be a showman  
Who needs the drama  
Who said you had to bleed I'm excited  
Come on, surprise me, sweep me off my feet  
Oh, enlighten me  
What is this special thing 'bout you I need I hear you out, you hear me out  
I hear you shout, I'm not stepping out  
I hear you out, you hear me out  
I hear you shout, I'm not stepping out  
Little grey fairy tales  
And little white lies  
Everything you exhale is attracting flies And you can go off the rails  
And you can cry your eyes out  
But everything you exhale is attracting flies How'd you think it felt when you stuck the knife in  
You know my heart died and you had me aching  
How about a piece of your own medicine  
Now you're outside there tryna get in Baby, why would I care if you want me  
Baby, why would I care if you don't  
Baby, why would I care if you need me  
Baby, why would I care if you don't Little grey fairy tales  
And little white lies  
Everything you exhale is attracting flies And you can go off the rails  
And you can cry your eyes out  
But everything you exhale is attracting flies
