Neat Neat Neat

The Damned

Be a man can a mystery man
Be a doll be a baby doll
It can't be fun not anyway
It can't be found no way at all
A distant man can't sympathise
He can't uphold his distant laws
Due to form on that today

I got a feeling then I hear this callI said Neat Neat Neat

She can't afford a cannon

Neat Neat Neat

She can't afford a gun at all

Neat Neat Neat

She can't afford a cannon

Neat Neat Neat

She ain't got no name to call

Neat Neat Neat

No crime if there ain't no law

No more cops left to mess you around

No more dreams of mystery chords

No more sight to bring you down

I got a crazy got a thought in my mind

My mind's on when she falls asleep

Feelin' fine in her restless time

Then these words upon me creepI said Neat Neat Neat

She can't afford a cannon

Neat Neat Neat

She can't afford a gun at all

Neat Neat Neat

She can't afford a cannon

Neat Neat Neat

She ain't got no name to call

Neat Neat Neat

Be a man can a mystery man

Be a doll like a baby doll

It can't be fun not anyway

It can't be found no way at all

A distant man can't sympathise

Can't uphold his distant laws

Due to form on that today

I got a feeling then I hear that callI said Neat Neat Neat

She can't afford a cannon

Neat Neat Neat

She can't afford a gun at all
Neat Neat Neat
She can't afford a cannon
Neat Neat Neat
She ain't got no name to call
Neat Neat Neat
