

Endless Love

Kenny Rogers

My Love
There's only you in my life
The only thing that's right
My first love You're every breath that I take
You're every step I make
And I
I want to share All my love with you
No one else will do
And your eyes
They tell me how much you care Oh yes, you will always be
My endless love
Two hearts
Two hearts that beat as one
Our lives have just begun
Forever
I'll hold you close in my arms
I can't resist your charms Oh, love
I'll be the fool
For you I'm sure
And you know I don't mind 'Cause you
You mean the world to me
I know I found in you
My endless love And love
I'll be the fool
For you I'm sure
And you know I don't mind
And yes
You'll be the only one
'Cause no one can deny
This love I have inside And I'll give it all to you
My love
