

In My Father's House

[Eric Bibb](#)

You might been raised on the block
You mighta wandered here from far
But no matter where you come from
No matter who you are You don't need no ID
You don't need no membership cards
Well, you know you're always welcome
In my Father's house You might be a child of the streets
You might be rich man's son
An' no matter what you're doin'
No matter whatcha done When you got nowhere to hide
Got nowhere to run
Well, you know you'll find shelter
In my Father's house
When you're lonely an' discouraged
An' misery has no end
When you need that helpin' hand An' no-one wants to lend
When you're beggin' for a friend
Yes, you know you're gonna find one
In my Father's house When you're mistreated in this world
Like a stranger in your own land
When the chains around your heart
Are just too much to stand When heaven's just a word
An' hell is close to hand
Come an' lay your burden down
In my Father's house
You might been raised on the block
You mighta wandered here from far
But no matter where you come from
No matter who you are You don't need no ID
You don't need no membership cards
Well, you know you're always welcome
In my Father's house
