## Freak Magnet

## **L7**

Liars, losers, coming at me What i need is sanctuary Minding my own business Getting in my face Violating my personal spaceFreak magnet Jerk appealSomething about you Is so not right Nightmare, nightmare In the daylight Asking for my number You wanna give me a call But i've got your message Written on the wall Freak magnet Jerk appeal Always bugging me Why don't you get a clue 'Cause i don't want to Talk to you I know that look in your eye I've seen it before I've given you all of my change But you want something moreFreak magnet Jerk appeal Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
