

Wake Up

Fetty Wap

1738

Tellin' you guys how I feel man...When you wake up in the mornin', ayy

Mom's yellin' in your room

Like can I get 5 more minutes?

Shit, I ain't really trippin' over school

Let's get Wiz Khalifa high and

Get meditated over medicated

Get Wiz Khalifa high and

Throw your caps in the air like you know you made it, ayy

When you wake up in the mornin', ayy

Mom's yellin' in your room

Like can I get 5 more minutes?

Shit, I ain't really trippin' over school

Let's get Wiz Khalifa high and

Get meditated over medicated

Get Wiz Khalifa high and

Throw your caps in the air like you know you made it

I told moms I ain't trippin' over school cause I made it

Said, "Boy you got a son, supposed to be his inspiration"

Put a milli' in his bank account, don't leave him, I was thinkin'

I'll never do him wrong like they did the operation

Took the nigga's vision from him, was a mothafuckin' baby

Said a couple years later they could give him back to me

Technology is movin' too slow, I'm waitin' patiently

Shit, I don't want it no more, this how I'm meant to be

Remember young kids in the school used to laugh at him

Guess I played my numbers real good, check the mathematics

Nigga brought the Zoovie Zoo up, why they mad at him?

Man I bought about 12 cars just to blast past

Switch cars so much, don't know which one to blast at

And my bitch so bad and you know her ass fat

Wanna ride through, man, ayy, Zoo'll laugh at

Zoo Gang my crew, won't put nothin' past that

When you wake up in the mornin', ayy

Mom's yellin' in your room

Like can I get 5 more minutes?

Shit, I ain't really trippin' over school

Let's get Wiz Khalifa high and

Get meditated over medicated

Get Wiz Khalifa high and

Throw your caps in the air like you know you made it, ayy

When you wake up in the mornin', ayy

Mom's yellin' in your room
Like can I get 5 more minutes?
Shit, I ain't really trippin' over school
Let's get Wiz Khalifa high and
Get meditated over medicated
Get Wiz Khalifa high and
Throw your caps in the air like you know you made it Yeah, yeah
Yeah, baby, yeah, yeah baby When you wake up in the mornin', ayy
Mom's yellin' in your room
Like can I get 5 more minutes?
Shit, I ain't really trippin' over school
Let's get Wiz Khalifa high and
Get meditated over medicated
Get Wiz Khalifa high and
Throw your caps in the air like you know you made it, ayy
When you wake up in the mornin', ayy
Mom's yellin' in your room
Like can I get 5 more minutes?
Shit, I ain't really trippin' over school
Let's get Wiz Khalifa high and
Get meditated over medicated
Get Wiz Khalifa high and
Throw your caps in the air like you know you made it Yeah, baby, woah, baby
Woah, baby
