

# Something to Lose (2004)

Corey Smith

Dropped all my quarters at the Lee Street car wash  
Soap, scrub, rinse, clean, and vacuum too  
Washed off that note someone wrote on my dirty window  
Now my Beretta's lookin' good as new  
Yeah, just for you it's lookin' good as new No one's been ridin' with me for a long while  
So I'm bein' careful tryin' to watch my speed  
But it's getting' hard to keep my eyes on the highway  
Knowin' you're over in that passenger seat MY HEART BE STILL, I'M HAVING TROUBLE  
BREATHING  
WONDERIN' IF YOU FEEL THE SAME WAY THAT I'M FEELING  
COLD SWEAT, SO STRANGE I CAN'T PLAY IT COOL  
MY HEARTS OUT ON A LIMB  
GIRL, YOU'D BE SOMETHIN' TO LOSE  
Waited two hours for a haircut down at Jerry's  
He cleaned me up then I headed home  
Put on a new shirt and double-dosed in Cool Water  
Stared at the bathroom mirror way too long  
Wonderin' if I'll turn you on I know tonight might seem like dinner and a movie  
But to me it means much, much more  
'Cause I'm bettin' my whole heart that you're gonna' love me  
And I've never took that kind of chance before MY HEART BE STILL, I'M HAVING  
TROUBLE BREATHING  
WONDERIN' IF YOU FEEL THE SAME WAY THAT I'M FEELING  
COLD SWEAT, SO STRANGE I CAN'T PLAY IT COOL  
MY HEARTS OUT ON A LIMB  
GIRL, YOU'D BE SOMETHIN' TO LOSE You, me, we should get together now  
Love may never give another chance  
Please don't be afraid to let me in  
We may never get this moment back again  
MY HEART BE STILL, I'M HAVING TROUBLE BREATHING  
WONDERIN' IF YOU FEEL THE SAME WAY THAT I'M FEELING  
COLD SWEAT, SO STRANGE I CAN'T PLAY IT COOL  
MY HEARTS OUT ON A LIMB  
GIRL, YOU'D BE SOMETHIN' TO LOSE  
GIRL, YOU'RE SOMETHIN'  
GIRL YOUR SOMETHIN'  
OH YOU'D BE SOMETHIN' TO LOSE
