

# Broken Together

## Casting Crowns

What do you think about when you look at me?  
I know we're not the fairytale you dreamed we'd be  
You wore the veil, you walked the aisle, you took my hand  
And we dove into a mystery How I wish we could go back to simpler times  
Before all our scars and all our secrets were in the light  
Now on this hallowed ground, we've drawn the battle lines  
Will we make it through the night? It's going to take much more than promises this time  
Only God can change our minds  
Maybe you and I were never meant to be complete  
Could we just be broken together?  
If you can bring your shattered dreams and I'll bring mine  
Could healing still be spoken and save us?  
The only way we'll last forever is broken together How it must have been so lonely by my side  
We were building kingdoms and chasing dreams and left love behind  
I'm praying God will help our broken hearts align  
And we won't give up the fight It's going to take much more than promises this time  
Only God can change our minds  
Maybe you and I were never meant to be complete  
Could we just be broken together?  
If you can bring your shattered dreams and I'll bring mine  
Could healing still be spoken and save us?  
The only way we'll last forever is broken together  
Maybe you and I were never meant to be complete  
Could we just be broken together?  
If you can bring your shattered dreams and I'll bring mine  
Could healing still be spoken and save us  
The only way we'll last forever is broken together
