

Mary Wanna

Common Kings

Open the [?] I got you on my mind
Round down the windows with you by my side
Floating like [?] that mean in the sky
Where, where.

Don't let me down your the cure for my pain
You're my prescription when I see your face
You got me dreaming when I'm wide awake
Where, where.I've been waiting for this feeling
I've been waiting for this feeling all my life
I've been waiting for this feeling

I've been waiting for this feeling every nightAy ya ya ya, ya ya ya... Mary wanna make you
found the love tonight

Ay ya ya ya, ya ya ya... Mary wanna show you how to dance tonight
Feel so good when you're around I wanna show the world what you all about
Ay ya ya ya, ya ya ya... Mary wanna make you found the love tonight

When I got to [?] to know how [?]
All of my problems they go up to smoke
There ain't no waiting I'm letting you go
Oh no, oh noI've been waiting for this feeling
I've been waiting for this feeling all my life
I've been waiting for this feeling

I've been waiting for this feeling every nightAy ya ya ya, ya ya ya... Mary wanna make you
found the love tonight

Ay ya ya ya, ya ya ya... Mary wanna show you how to dance tonight
Feel so good when you're around I wanna show the world what you all about
Ay ya ya ya, ya ya ya... Mary wanna make you found the love tonightI've been waiting for this
feeling

I've been waiting for this feeling all my life
I've been waiting for this feeling
I've been waiting for this feeling every night

Ay ya ya ya, ya ya ya... Mary wanna make you found the love tonight
Ay ya ya ya, ya ya ya... Mary wanna show you how to dance tonight
Feel so good when you're around I wanna show the world what you all about
Ay ya ya ya, ya ya ya... Mary wanna make you found the love tonight
