

# Bagman

## Stone Temple Pilots

Bagman, honey  
Bagman, sugar  
Bagman, honey  
Bagman, sugar I know it feels good  
But be careful with your vices  
Falling, crawling on your knees again  
Watch out for the bagman (Bagman, honey)  
He ain't no travelling sales man  
(Bagman, sugar)  
Oh, do what you want (Fat man shouting)  
Your money good for nothing, baby  
(Bagman slings it)  
Does it hurt?  
We almost got it right  
Revelation  
Conversation made it laden  
With the bagman's bag (Bagman, honey)  
He ain't no travelling sales man  
(Bagman, sugar)  
Oh, do what you want (Fat man shouting)  
Your money good for nothing, baby  
(Bagman slings it)  
Does it hurt? Then there was a dream  
When you said we would be free  
But now is the time  
To be real  
Bagman, honey  
Bagman, sugar  
Fat man shouting  
Bagman slings it (Bagman, honey)  
He ain't no travelling sales man  
(Bagman, sugar)  
Oh, do what you want (Fat man shouting)  
Your money good for nothing, baby  
(Bagman slings it)
