

# High Hopes In Velvet Ropes

## The Cab

Baby, take it off  
Checkered thighs on a pretty pawn  
This vicious velvet ain't enough  
So baby, make a move  
My neon eyes are set on you  
The devil's language tastes of lust  
Tell me what can I say to make your body come this way  
We're only two in a crowded room where others fade away  
It's only a crime if I get caught  
(Only, if I, if I get caught)  
It's only a line if it gets bought  
I woke up 12: 05  
I left that room with no goodbye  
And now I'm on my way back home  
It's not that your lipstick failed  
But girl, I was just born to bail  
I do it better on my own  
Tell me what can I say to make your body come this way  
We're only two in a crowded room where others fade away  
It's only a crime if I get caught  
(Only, if I, if I get caught)  
It's only a line if it gets bought  
It's the same game  
I play 'til the give becomes the take  
It's the same game  
I play 'til the bend  
The bend becomes the break  
Baby, take it off  
Checkered thighs on a pretty pawn  
This vicious velvet ain't enough  
So baby, make a move  
My neon eyes are set on you  
The devil's language tastes of lust  
It's only a line if it gets bought  
It's the same game  
I play 'til the give becomes the take  
It's the same game  
I play 'til the bend  
The bend becomes the break
