

# Lovin You For Life (feat. Lil' Kim)

## Faith Evans & The Notorious B.I.G.

Uh, uh

Uh, uh, uh, uh

Uh, uh, uh, uh

Uh, Uh

Heyyy

I remember sellin' three bricks of straight flour  
Got my man a beat down to the third power  
He didn't care, spent the money in a half hour  
Got some fishscale, reigned on competition like a shower  
A .38, a lot of mouth was our only weapon  
We was kings till the D's crept in; and now I'm stressin'  
Gave him half my paper, told 'em "Go that route!"  
Few months, he got his brain blown out, now I'm missin' him

In your love (in your love)

That's where I'll be, my baby

In my heart (oh yeah)

I'll always keep you with me (not a day)

Not a day goes by (without you)

Without you on my mind

I'll be loving you for life (I'll be loving you)

Think about you all the time

It's been a while

But I can never forget your smile

Seems like yesterday, you were in my arms

I wasn't ready, ready for you to leave so soon

No matter what I know you're in my heart

His baby's mother, she trippin', blamin' me

And his older brothers understand the game it be

Kinda topsy turvy; you win some, you lose some

Damn, they lost a brother, they mother lost a son

Fuck, why my nigga couldn't stay in N.Y.?

I'm a thug, but I swear for three days I cried

I'd look in the sky and ask God why

Can't look his baby girls in the eye; damn, I'm missin' him  
In your love (In your love, love, love,  
love)

That's where I'll be, my baby (that's where I'll be, my baby)

In my heart (oh yeah)

I'll always keep you with me (not a day goes by)

Not a day goes by (without you on my mind)

Without you on my mind

I'll be loving you for life (I'll be loving you for life)

Think about you all the time

I've been handling your death like the undertaker  
Keep you close to my heart, like a pacemaker  
Damn I missin'  
The way we used to kissin'  
And you cookin', your favourite dishin'  
Fish 'n' Spaghetti  
For you to die, I wasn't ready  
And life after death, ain't been so fresh  
B-I-G, G-I-E  
Still a motherfuckin' king of NYC  
Period!

I can't you bring you back (I can't you bring you back)  
I had to deal with the pain  
But you're not around (around)  
So much I wish I could say (I could say)  
We still got your back (we still got your back)  
I put that on everythin'  
Never had the chance to say goodbye  
(We really miss you 'BIG')  
In your love (yeah)  
That's where I'll be, my baby (be)  
In my heart (oh yeah)  
I'll always keep you with me (not a day goes by)  
Not a day goes by (without you)  
Without you on my mind (on my mind)  
I'll be loving you for life ( and I'll be loving you for life)  
Think about you all the time  
In your love  
That's where I'll be, my baby ('cause I really wanna' see you smile)  
In my heart (oh-yeah)  
I'll always keep you with me (not a day goes by)  
Not a day goes by (without you)  
Without you on my mind (on my mind)  
I'll be loving you for life (I'll be loving you)  
Think about you all the time  
(We really miss you 'BIG')
