

I Know What I Am

Band of Skulls

High ho
Triple salco
I got a feeling like a tidal flow
But I know what I am
They know what they are
So let me be Gasoline
Sacharine
I got no reason for the state I'm in
But I know what I am
They know what they are
So let me be
Hotel
Taco Bell
I got the hit that you know damn well
But I know what I am
They know what they are
So let me be Cut, tease
Better believe
I got the feeling that I'm underneath
But I know what I am
They know what they are
So let me be
But it's alright
It's okay
I got the time
But the time don't pay
It's alright
It's okay
I got the time
But the time don't pay
It's alright
It's okay
I got the time
But the time don't pay
It's alright
It's okay. Flick Flack
No slack
I got the wit that my enemies lack
But I know what I am
They know what they are
So let me be Trick some
Just begun

Giving you more when you only want one

Cause I know what I am

They know what they are

So let me beHot, sweat

Got debt

Keep your liquor in the locker cause you don't know yet

But I know what I am

They know what they are

So let me beShip shape

Ticker tape

Looks to me like a narrow escape

But I know what I am

They know what they are

So let me beBut it's alright

It's okay

I got the time

But the time don't pay

It's alright

It's okay

I got the time

But the time don't pay

It's alright

It's okay

I got the time

But the time don't pay

It's alright

It's okay.I know what I am

They know what they are

So let me be

I know what I am.

I know what I am

They know what they are

So let me be

I know what I am.

I know what I am

They know what they are

So let me be

I know what I am.

I know what I am

They know what they are

So let me be

I know what I am

They know what they are

So let me be

I know what I am

They know what they are

So let me be

I know what I am

They know what they are

So let me be
