

No Sunshine

Kid Frost

(- Prince Teddy)

What is time?

Time is when a man is trying to make time with your woman,
But you're doing time behind bars and your time is standing still
Yo Frost, kick it to these people for real you know what I'm saying?(1 - Frost)

Time, sifts through the hourglass, through night and day

And I watch as the games people play

It's like do unto others than split

And if you can't back up what you say then you ain't shit (yeah)

I've seen the manifestations of the street

So I can manifest what I've seen on a drum beat

Like just last night (yo what happened)

I watched these two vatos get in a crazy fight

One of them was quick to pull a knife

He stabbed him in the heart and now he's doing life

In prison at the age of 21 (yeah)

Living on death row cause he couldn't let go

Caught in the web of violence (damn)

Roll deep when they creep, and move in silence of the lambs (yo)

A tattooed tear dropped as the iron gates slam

(- Bill Withers & Frost)

Ain't no sunshine - Bill Withers

Ain't no sunshine - Frost

Ain't no sunshine - Bill Withers

Ain't no sunshine - Frost

Ain't no sunshine - Bill Withers

Anytime, hey - Frost

Ain't no sunshine - Bill Withers

Ain't no sunshine - Frost

Ain't no sunshine - Bill Withers

Ain't no sunshine - Frost

Ain't no sunshine, Anytime - Bill Withers

(2 - Frost)

Damn, damn ain't that a shame?

You're lost so take the caution don't play the game
Should've listen to the Frost when I was trying to come across to you

But no you didn't think (sucker)

You just keep getting yourself more deep until you sink

So there's no one else to thank but yourself

So go ahead take bow for a job well done

But you'll never see the day of the sunshine or the fun times

Just the old days and your old ways

Corrupt and wicked
 Out there doing dirt, instead of just kicking it
 Pow pow bang bang and all that noise (yeah)
 Yeah you and all your homeboys
 Take time to read between the lines
 Cause ain't no sunshine(3 - Frost)
 (yo kid) I know about being macho
 Callin the shots the big time head honcho (yeah)
 But here's something even more gacho
 One of my homeboys is your old lady's Sancho
 Yo shit happens
 A number lights up on his beeper right as I'm rappin
 While you sit in a cell writing a letter
 Saying when you get out, your things will be better (right)
 But man she couldn't wait
 So she's going out on a date
 With every Tom, Dick, and Harry
 And if you ask me, your shit's getting scary
 So how you gonna handle this
 When your ho's in Los Angeles, acting so scandalous
 Yo, you can't blame her you didn't take the time
 And now, ain't no sunshineAin't no sunshine - Bill Withers
 Ain't no sunshine - Frost
 Ain't no sunshine - Bill Withers
 Ain't no sunshine - Frost
 Ain't no sunshine - Bill Withers
 That's for you, '92 you know what I'm saying? - Prince Teddy
 Anytime, yeah - Frost
 Ain't no sunshine - Bill Withers
 Ain't no sunshine - Frost
 Ain't no sunshine - Bill Withers
 Ain't no sunshine - Frost
 Ain't no sunshine, Anytime - Bill Withers
 Damn - Frost(interlude - Prince Teddy)
 So if you don't wanna do no time,
 You better take time to try to draw the line you know what I'm saying?
 Or you're gonna be the next fool in line doing time,
 You know what I'm saying? Like my man said...Ain't no sunshine - Bill Withers
 Ain't no sunshine fool - Prince Teddy
 Ain't no sunshine - Bill Withers
 Ain't nothing happening up there you know what I'm saying? - Prince Teddy
 Ain't no sunshine, Anytime - Bill Withers
 Yo, me and Frost is out of here, Peace - Prince TeddyThere just ain't no sunshine - Bill Withers
 (laughing)
