

Body Pump

Aluna & AlunaGeorge

I'm bad upon the weekend
Not sitting up on my own
I've been hiding from you too long now
So you don't know
You think you're tough, you didn't want to know
Living in your prison, you wouldn't let it grow
The strength of your illusion is getting real low
Baby, look around, look around now Hold on, my body's pumping all night long
I've been waiting for something like this
Body's pumping, I just can't resist
Hold on, my body's pumping all night long
I've been waiting for something like this
Body's pumping, I just can't resist
Don't tell me to think about it
(Won't stop me)
Don't tell me to think about it
(Don't make me lose my way)
'Cause I've been hearing enough about it
(Won't stop me)
Yeah, I've been hearing enough about it
(Don't make me lose my way) Hold on, my body's pumping all night long
I've been waiting for something like this
Body's pumping, I just can't resist
Hold on, my body's pumping all night long
I've been waiting for something like this
Body's pumping, I just can't resist
Don't tell me to think about it
(Won't stop me)
Don't tell me to think about it
(Don't make me lose my way)
'Cause I've been hearing enough about it
(Won't stop me)
Yeah, I've been hearing enough about it
(Don't make me lose my way) You think you're tough, you didn't want to know
Living in your prison, you wouldn't let it grow
Strength of your illusion is getting real low
Baby, look around, look around now Don't tell me to think about it
(Won't stop me)
Don't tell me to think about it
(Don't make me lose my way)
'Cause I've been hearing enough about it
(Won't stop me)

Yeah I've been hearing enough about it
(Don't make me lose my way)I've been hearing enough about it, yeah
Yeah, I've been hearing enough about it, yeah yeah
(Don't make me lose my way)Don't tell me to think (way)
Don't tell me to think (way)
Don't tell me to think (way)
Don't tell me to think (way)
Don't tell me to think (way)
Don't tell me to think (way)
Don't tell me to think (way)
Don't tell me to think (way)I'm trying to be different
Don't make me think about it
I'm trying to be different
Don't try to make me feel ashamedI'm trying to be different
Don't make me think about it
I'm trying to be different
Don't try to make me feel ashamedI'm trying to be different
Don't make me think about it
I'm trying to be different
Don't try to make me feel ashamedI'm trying to be different
Don't make me think about it
I'm trying to be different
Don't try to make me feel ashamedWon't stop me
Don't make me lose my way
