

Legend

Nelly Furtado

He wants to be, he wants to be, with everything under the sun
He wants to be, he wants to be, with everything under the sunChorus:
And like a legend that rises and unfolds I cannot be his only oneHe makes me feel, he makes
me feel, like you used to
(Whoa) like you used to

He makes me feel, he makes me feel, like you used to
(Whoa) like you used toChorus:

And like a fickle flower when it first sees the light
I cannot show just how I fight
And like a fickle flower when it first sees the light
I cannot show just how I fight

Babe I saw you walking, it was after midnight
Carrying nothing except for a flashlight

You wanted to be Romeo so low at my window

You wanted to be Romeo so low at my window

Will you open the door for me if you believe in chivalry

Will you open the door for me if you believe in chivalry

For I do not think you low though you bow to me so-so

I do not think you low though you bow to me so-soBridge:

I know you want to drink from the purest wine

But the drink is far more sour then you would ever think

He wants to be, he wants to be with everything under the sun

And she wants to burn, she wants to burn hot like that sun

(Whoa) hot like that sun

Chorus

Just like a legend that rises and unfolds I cannot be his only one

And like a callous, cold, callous woman she'll never know what she did doneSo like this legend
that rises and unfolds I'll never be his only one
