## **Danny Brown**

Dip, I dip, you dip, dip, I dip, you dip, I dip
Dip, I dip, you dip, I dip, you dip, I dip
Dip, you dip, I dip, you dip, I dip, you dip
Dip, I dip, you dip, I dip, you dip, I dip
Don't let me into my zone, don't let me into my zone
Don't let me into my zone, you haters leave me alone
I say, don't let me into my zone, don't let me into my zone
Don't let me into my zone, you haters leave me aloneLike Lieutenant Dan, I'm rolling, back to

back, I keep on smoking
Eyes keep shaking and I can't stay focused
I'm fucked if you niggas ain't noticed

I'm sweating but I'm cold, mouth all dry but I got a runny nose

I just bought me a water bottle

Chug that down but I think I need me some more

And I keep feeling like I'm gon' faint, but fuck that nigga, pass me that drank

I done drunk too much, I might throw up in a hotel bathroom sink

Bitch, I'm wilding, I'm zooted, can't believe that I'm even moving

Off a half a gram of molly, we about to go party, and I don't know what I'm doing

Dip, I dip, you dip, dip, I dip, you dip, I dip

Dip, I dip, you dip, I dip, you dip, I dip

Dip, you dip, I dip, dip, you dip, I dip, you dip

Dip, I dip, you dip, dip, I dip, you dip, I dip

Don't let me into my zone, don't let me into my zone

Don't let me into my zone, you haters leave me alone

I say, don't let me into my zone, don't let me into my zone

Don't let me into my zone, you haters leave me aloneNow all these rappers talking 'bout that molly

Bet a million dollars these niggas ain't dipping

Pure MDMA, put it in a shot we talking 'bout crystals

Been dancing hard up all day, rest in peace to Mac Dre

Throw up the T, scratch on my face, do the Thizzle dance up in the place

I'm grinding on your bitch while I'm grinding on my teeth

Don't give a flying fuck, so right now you don't want beef

I'm blown, I'm zooted, can't believe that I'm even moving

Off a half a gram of molly, we about to go party, and I don't know what I'm doing

Dip, I dip, you dip, I dip, you dip, I dip

Dip, I dip, you dip, dip, I dip, you dip, I dip

Dip, you dip, I dip, dip, you dip, I dip, you dip

Dip, I dip, you dip, dip, I dip, you dip, I dip

Don't let me into my zone, don't let me into my zone

Don't let me into my zone, you haters leave me alone

I say, don't let me into my zone, don't let me into my zone
