

Is She Really Going Out With Him?

Sugar Ray

Pretty women out walking with gorillas down my street
From my window I'm staring while my coffee goes cold

Look over there
(where?)

There, there's a lady that I used to know
She's married now or engaged or something so I'm told
Is she really going out with him?

Is she really gonna take him home tonight?

Is she really going out with him?

'Cause if my eyes don't deceive me

There's something going wrong around here, around here

Tonight's the night when

I go to all the parties down my street

I wash my hair and I kid myself,

I look real smooth

Look over there

(where?)

Here comes Jeanie with her new boyfriend

They say that looks don't count for much

And so there goes your proof
Is she really going out with him?

Is she really gonna take him home tonight?

Is she really going out with him?

'Cause if my eyes don't deceive me

There's something going wrong around here, Around here

But if looks could kill

There's a man there who is marked down as dead

'Cause I've had my fill

Listen you

Take your hands off her head

I get so mean around the scene

Hey, hey, yah, Hey, hey
Is she really going out with him?

Is she really gonna take him home tonight?

Is she really going out with him?

'Cause if my eyes don't deceive me

There's something going wrong around here, Around here
Is she really going out with him?,

Around here

Around here, Is she really going out with him?

Is she really going out with him?

Is she really going out with him?

Is she really going out with him?
