

If I Tell You I Love You

Beth Hart & Joe Bonamassa

There are so many things I could say, my love
Make a trip, sow your lips with mine
There are so many things I could do, my love
To convince you my love is divine
There are so many words I could tell you
There are so many moments of time
But I say 'fore we go to the line down below
If I tell you I love you I'm lyin'
There are so many places to go, my love
There are so many places to find
There are so many worlds to explore, my love
So many stars here to shine
There are so many secrets to tell you
There are so many men on the line
But I say 'fore we go to the line down below
If I tell you I love you I'm lyin'
I'll make you show the reason
To cloud you up next time
So if you're lyin, your women see your heart
And tell to me - don't worry, love her til I leave
Ah, maybe one for weekends
To call you when you're flying
But if I ever utter I love you
Honey, I am lying
And if I look into your eyes to tell you
Honey, I am lying
And if I ever whisper words
Honey just sole true words
Oh oui, je t'aime,
Oh oui, je t'aime
Honey, I am lying
