Fire

Kasabian

Take me into the night and I'm an easy lover Take me into the fight and I'm an easy brother

And I'm on fire

Burn my sweet effigy, I'm a road runner

Spill my guts on a wheel, I wanna taste uh-huhAnd I'm on fire, and I'm on fire

And I'm on fire...

(Im going, you tell me, I feel it, I say it

I'm heading back into the tunnel for my soul to burn)

And I'm on fire...

(I'm coming, you coming, no hiding, my feeling

I wanna take it to the highest over me, yeah...)

Wire me up to machines I'll be your prisoner

Find it hard to believe, you are my murderer

I'm on fire

I'm behind you

Heads up falling sky

And I'm on fire...

(I'm going, you tell me, I feel it, I say it I'm heading back into the tunnel for my soul to burn)And I'm on fire...

(I'm coming, you coming, no hiding, my feeling I wanna take it to the highest over me, yeah...)

And I'm on fire, I'm on fire

Move on, you got to move on

You got to hit 'em to the hip

And get your shake on

Move on, you got to move on

You got to hit 'em to the hip

And get your shake on

(I feel it, I want it, I'm coming, I tell ya, I caught the bullet from the heavens to the one you

I'm going, I'm running, out to the highest love

I'm wanna hit you to the hip...)And I'm on fire...

Move on, you got to move on You got to hit 'em to the hip

And get your shake on

And I'm on fire...

Move on, you got to move on

You got to hit 'em to the hip

And get your shake on
