

# Live Every Moment

## REO Speedwagon

Live every moment  
Love every day  
'Cause before you know it  
Your precious time slips away  
Live every moment  
Love every day  
'Cause if you don't you might  
Just throw your love away  
I walked for seven miles this mornin'  
Footprints in the sand  
Washed away without a warning  
When the water hit the land  
But I will walk on  
'Til I can no longer stand  
I'll take you by the hand  
And we'll live every moment  
Love every day  
'Cause before you know it  
Your precious time slips away  
There's water in the wind tonight  
There's a chill in the air  
It's coolin' down my skin tonight  
Soakin' through your hair  
There's warmth enough within tonight  
For both of us to share  
We can take it anywhere  
And we'll live every moment  
Love every day  
'Cause if you don't you might  
Just throw your love away  
Sometimes I wish we could  
Take a trip far away  
Leave all this trouble and heartache  
And pain for another day  
I will search for that place  
But 'til I find it all I can say  
Is live every moment  
And love every day  
Oooh, sometimes I wish we could  
Take a trip far away  
Leave all this trouble and heartache  
And pain for another day  
I will search for that place  
But 'til I find it all I can say  
Is live every moment  
Love every day  
'Cause before you know it  
Your precious time slips away  
Live every moment  
Love every day  
'Cause if you don't you might  
Just throw your love away  
You might  
Just throw your love away  
You might

Just throw your love away You got to live every moment  
You got to, you got to  
You got to, you got to  
You got to live every moment
