## No Way Out

## **Roadrunner United**

Children carry out your voice it really matters Carry on about your fight and who it shattered The bleed are strewn around And they will kick a man when he's down Children carry out your voice it really mattersWe are never right We are forever wrong And I believe As you ran inside We are good enough to be true Children rise from this with forty words and forty fists Carry on around their hopes before they're broken If the people live in doubt And scream no way out Simply carry out your voice that's all that mattersWe are never rigt We are forever wrong And I believe As you ran insde We are good enough to be trueAnd we don't want to know everything We want to know one thing Only tell us where the blood is We will clean it up We are never right We are never wrong And I believe As you ran inside We are good enough to be true
