Dumb, digi-digi da-dum di-dum
When I betcha thought it'll be fun to get some
Gotta run now, gotta go, gotta get home
'Cause I know you're not on your own Phone losing service
But I hear someone up in the background
Why you so nervous
'Cause you know I'm 'bout to shut this thing down Boy, you better say my name if you're all
alone
But I think you know (We both know, both know)
I wanna hear you say st, don't mean a thing
You lookin' stupid babe ('Cause I know, I know) Yeah, yeah, yeah, so tell me again
Yeah, yeah, yeah, she's only a friend
