More Than Anyone

Gavin DeGraw

You need a friend
I'll be around
Don't let this end
Before I see you again
What can I say to convince you
To change your mind of me?I'm going to love you more than anyone
I'm going to hold you closer than before
And when I kiss your soul, your body'll be free
I'll be free for you anytime
I'm going to love you more than anyone
Look in my eyes, what do you see?

Not just the color Look inside of me

Tell me all you need and I will try
I will tryI'm going to love you more than anyone
I'm going to hold you closer than before
And when I kiss your soul, your body'll be free
I'll be free for you anytime

I'm going to love you more than anyoneFree for you, whenever you need

We'll be free together, baby Free together, baby

I'm going to love you more than anyone I'm going to hold you closer than before

And when I kiss your soul, your body'll be free

I'll be free for anytime

I'm going to love you more than anyoneI'm going to love you more than anyone Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
