

# Obsessed

## Dynoro & Ina Wroldsen

I tried to climb into your skin  
I tried to locate the beating  
Of your, your, your, your heart  
Of your, your, your, your heart  
I walked for hours inside you  
I talked in my voice and tried to  
Find your, your, your, your heart  
Find your, your, your, your heart  
I ran through all your veins  
I saw all of your visions  
I found all of you babe  
But I couldn't find me anywhere  
And now I'm stuck  
Inside of you  
Baby  
You gotta let me  
You gotta let me out  
I gotta get free  
I gotta get free, oh baby  
I'm too invested  
I can't get obsessed with you  
Baby  
You gotta let me  
You gotta let me go-oh-oh  
I gotta get free  
I gotta get out, baby  
I'm too invested  
I can't get obsessed with you  
You keep my heartbeat in your teeth  
And scissors cutting into me  
All your, your, your, your lies, lies  
All my, my, my, my light  
I ran through all your veins  
I saw all of your visions  
I found all of you babe  
But I couldn't find me anywhere  
And now I'm stuck  
Inside of you  
Baby  
You gotta let me  
You gotta let me out  
I gotta get free  
I gotta get free, oh baby  
I'm too invested  
I can't get obsessed with you  
Baby

You gotta let me  
You gotta let me go-oh-oh  
I gotta get free  
I gotta get out, baby  
I'm too invested  
I can't get obsessed with you I feel your mouth when you kiss her lips  
I trace your skin with your fingertips  
I see her the way you do and it, hurts  
Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh Baby  
You gotta let me  
You gotta let me out  
I gotta get free  
I gotta get free, oh baby  
I'm too invested  
I can't get obsessed with you  
Baby  
You gotta let me  
You gotta let me go-oh-oh  
I gotta get free  
I gotta get out, baby  
I'm too invested  
I can't get obsessed with you
