Pretty Ricky

You hit me up on yo cell phone You qo girl with your thon, thon, thon, thongz Sexy black come over here

And let me put a few love buzzes in your earYou smiled at me (girl you so fly)
Shorty you never had a thug like i (a thuq like i...)Say shorty would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...

Say would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...

Say shorty would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...

Say would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...I'm like shorty would you be mine (shorty would you be mine)

Think about you all the tyme

You on my speed-dial

Dont answer da phone and i'll be damned if i hit redial

(can you hear me now) good

4rm da 1st time i called i know you understood

But do you comprehend girl, keep with the plan

I'm like one hour, compared 2 a minute man

I'm everlasting, I want longevity

Under pretty ricky, babe it's where you need to be

Say shorty would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...

Say would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...Say shorty would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...

Say would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...I know you're young but you're ready (i know you're young but you're ready)

See we can bump and grind like r. kelly (we can bump and grind lyke r. kelly)

Baby we aint gotta fuss and fight (we aint gotta fuss and fight-)

Letz take our tyme and do it right

We qon' make love tonightI'm like a love roller coaster

Flip you over, make you scream my real name
Aladiamond blue smith when you feel da pain
Aint runnin' game, dat aint my territory
As remi martin "wutz da real true story"
When i push, pull me closer
Let me put diz thanq on ya
Lyke your luver wuz suppose 'ta
I'm da one you need qurl
Gurl let me show ya

I turn you to a woman from a child

I'm yo destiny

Baby i'm a souljaWe qon' brake it down

We qon' brake it downShorty, shorty say would you be mine (shawty, shawty would you be mine, shawty would you be mine)

Shorty, shorty say would you be mine (shawty, yea, shawty would you be)I'm not qon' leave ya

I'm not a cheater, a heart-breaker and deceiver

I wanna be witcha

Now shawty would you be mine

Thru hard times

Easter, christmas, thanksgiving, even valentines

4 ever, today and beyond

Baby whats wrong

Aint nothing wrong with slow grindin' 2 a slow song

Now give me my neck bone

You feeling so tender, let me place some of this teddy penda

Whats on my agenda

Putting ice on your ring finger, yeaSay shorty would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...

Say would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...Say shorty would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...

Say would you be mine (would you be mine)

Say would you be mine (say would you be mine)

Shorty would you be mine...
