

# When I Wake Up

Jill Scott

Too much on my mind  
Too much on my mind  
Too much on my mind  
Too much on my... La la la la la la la la  
Here I am thinking again  
All lost in my brain  
But I know I should get up and get out of it  
I gotta keep moving  
But here I am lost all up inside my brain  
Can't stop thinking, reminiscing.  
Can't stop. Can't let go.  
But when I wake up,  
And one day I will do it,  
I have let you go  
Need everything I went through was beautiful  
I have let you go  
And everything I went through was beautiful  
Maybe I, right now, can't see the forest full of trees  
So lost behind hurt  
But I'm trying everyday exponentially  
To move forward  
O you know how it feels to be lost?  
But when I wake up  
Everything I went through would be beautiful  
When I wake up  
And I will wake up  
It's gonna be beautiful  
Down to to my left side (Last cry)  
Feeling I could fly (Feeling I could fly)  
All day, up high.  
Sweeter than the sugar on a cinnamon treat  
Or an ice cream  
That was me  
But I'm feeling like I'm in a nightmare  
Fear of loving somebody, everywhere  
Oh Lord, I need this confirmation, this affirmation  
That when I wake up  
Hen I wake up  
Everything I went through will be beautiful  
When I wake up  
Everything I went through will be beautiful  
Gotta wake up

Gotta wake up  
Gotta wake up  
Gotta wake up
